1 Detroit, Michigan
2 Thursday, July 9, 2015
3 About 6:30 p.m.

4 CHAIRPERSON BELL: Good evening. Welcome to
5 the weekly meeting of the Board of Police Commission.
6 Our evening meeting at 6:30. See all your smiling
7 faces here in attendance. I am Willie Bell, your
8 vice-chair. Our chair is absent due to a significant
9 birthday celebration. We wish her birthday wishes, but
10 we are here to conduct our business meeting, and it's
11 good to see all of you once again, and thank you for
12 your attendance. Thank you for your attendance. I'll
13 have to lean over to the mic. I'm going to ask the
14 pastor, I'm going to ask the pastor of this church,
15 City Temple Seventh-Day Adventist Church, Pastor Leon
16 Bryant, to come forward for holding prayer and also any
17 remarks that he might want to make at this time. Thank
18 you.

19 PASTOR BRYANT: Thank you so much. We
20 welcome the Detroit Police Commission for being here.
21 I'm glad on behalf of our church community, our church
22 family here at City Temple Seventh-Day Adventist
23 Church, our Board of Elders and members, glad to be
24 able to host or to be able to have you to come in and
25 be here at having our meeting here at this church. And

1 to those individuals in the community, thank you for
2 coming and being here.

3 Just before I have a word of prayer, there
4 are restrooms right back here in this particular area.
5 If anyone needs the lady's room, it's right there. The
6 men's are around the corner. There are restrooms
7 upstairs if you need to use the facility, you're
8 welcome to do that. But again, on behalf of my church
9 community and my church family, let me thank you once
10 again for allowing us to host. I thank you all this
11 evening.

12 (Invocation given)

13 CHAIRPERSON BELL: Thank you Pastor Bryant
14 for that warm introduction and also the prayer. Surely
15 we always need in terms of someone praying for us and
16 praying for this department and praying for the City of
17 Detroit. So that's a blessing to be here this evening
18 in terms of hosting this meeting.

19 I'm going to ask the commissioners starting
20 to my left to introduce themselves and any other
21 remarks they might want to make if they need to go
22 forward. Thank you.

23 COMMISSIONER SHELBY: Good evening, everyone.
24 My name is Richard Shelby, commissioner, police
25 commissioner for district 1. Also happen to be back

1 here in the 10th precinct. This is the precinct I grew
2 up in, precinct I went to school in and was also first
3 command of commanding officer of the Detroit Police
4 Department 10th precinct. So being here for me is just
5 like being at home. And welcome everybody for coming
6 out.

7 COMMISSIONER VANN: I am commissioner Edgar
8 Vann. I am commissioner in the 2nd District which is
9 Northwest Detroit, however, I do have roots here in the
10 10th precinct. I went to Winterhalter School way back
11 in the day and so I know a whole lot about this area.
12 Very familiar to me and very happy to be here tonight.

13 CHAIRPERSON BELL: And Commissioner Burton.

14 CHAIRPERSON BURTON: I am Commissioner Willie
15 Burton. I represent District 5. We got the 7th
16 precinct, the 10th precinct. Precinct 3 and 5 is all
17 within that district. So I'm excited to be here this
18 evening with you all.

19 Also I was directed to be over where the
20 Mayor is because I'm also the Community Relations
21 Director for Wayne County Commissioner Martha G.
22 Scott's office, but I wanted to be here and show my
23 presence here this evening, but I will be leaving
24 shortly because I have to be there. I'm sort of still
25 on the clock, but as a commissioner I wanted to be here

1 to see, to see you all and to greet you all and hear
2 some of your concerns that you may have so I can get to
3 work for you guys. Thank you.

4 COMMISSIONER MOORE: Good evening. Police
5 Commissioner Ricardo Moore. Representing District 7.
6 District 7 comprises of three precincts, the 2nd
7 precinct, 6th precinct and 10th precinct, which is
8 here. I'm glad to see Captain Steve Walton in the
9 house, as well as the host, Captain Nick Kyriacou.
10 Thank you. You too, Captain Leach. And to my
11 immediate left is Commissioner Donnell White.

12 COMMISSIONER WHITE: Good evening.
13 Commissioner Donnell White appointed by Mayor Dave Bing
14 in 2010 excited to be back here Seven-Day Adventist.
15 Also serve as executive direct of the Detroit Branch
16 NAACP. Glad to be of service. Thank you, Mr. Chair.

17 CHAIRPERSON BELL: I am, once again, Willie
18 Bell from District 4 on the east side of Detroit. And
19 as you well know, the Mayor's having his community
20 forum I think Lutheran Church 7:00, but my obligation
21 is to the Board of Police Commission so I will be here.
22 And I had attendance my district community East English
23 Village and they are going to be well in attendance
24 along with Morningside and Cornerstone and others, so
25 I'm pretty sure they're going to have a well rewarding

1 meeting tonight, the mayor. There are issues that
2 people are dealing with so this is your opportunity to
3 interact with the Mayor and all the department heads,
4 perhaps even Chief Craig in terms of issues for us that
5 we face in public safety.

6 But I'm going to ask at this time -- well
7 before I do that, I'd like to, the man who needs no
8 introduction, Assistant Chief Stephen Dolunt to my far
9 left.

10 A.C. DOLUNT: Hi.

11 CHAIRPERSON BELL: I'm going to ask our board
12 secretary to introduce the staff, please.

13 SECRETARY ANTHONY: Thank you, Mr. Chair.
14 For the record, George Anthony, Secretary to the Board.
15 We have seated in front Ms. Pamela Davis-Drake who is
16 our chief investigator from the Office of Chief
17 Investigator. Seated next to her is Ms. Linda Bernard,
18 who is our attorney to the Board. To my right is Mr.
19 Robert Brown, who's our administrative assistant.
20 Sergeant Alan Quinn is in the back recording our
21 proceedings, and Ms. Mindy Womack from Hanson Court
22 Reporting Service is taking the transcript. That
23 completes the introduction.

24 CHAIRPERSON BELL: Thank you. I'm going to
25 ask Assistant Chief -- maybe before I do that, I'd like

1 to have Mr. Al Stokes coming up to the mic. This is
2 the coordinator, the president for the 10th precinct in
3 terms of community activities. So I attended one of
4 the meetings not too long ago. A well ran meeting,
5 well attended, and I appreciate the opportunity to come
6 from the east side to speak to you and I enjoyed the
7 opportunity. Thank you.

8 MR. STOKES: Well we want to thank you all
9 for allowing us to host the Board of Police
10 Commissioners today. We want to thank Pastor Bryant
11 for allowing us to come into his house of worship. We
12 just want to welcome you all. Thank you, and we look
13 forward to working with you.

14 CHAIRPERSON BELL: Thank you, sir. You're so
15 kind. And at this time I'm going to ask Assistant
16 Chief to introduce command officers and any other
17 officers he would care to introduce. I see quite a few
18 in the audience.

19 A.C. DOLUNT: Standing in the rear is Captain
20 Kyriacou, not standing, but sitting down. Captain
21 Pritchett, Captain Leach, Captain Walton, Captain
22 Tosqui, Deputy Chief Fitzgerald, Lieutenant O'Rourke.
23 Did I miss anybody? The rest are with the Mayor and
24 the Chief. Oh, yeah, that's good. Police officer
25 Della Brown, please stand. How could I miss Della

1 Brown? Okay. We're good now? We're good.

2 CHAIRPERSON BELL: Any first-timers, this
3 might be your first meeting at the Board of Police
4 Commissioners, would you please stand? Please stand.
5 Any others first time? How about second time? Let's
6 give a round of applause. Thank you. Thank you for
7 your attendance and hopefully it's going to be a
8 rewarding evening and for all of you friendly faces
9 that we're familiar with, it's good to see you again.

10 I just want to hopefully you have a copy of
11 our latest newsletter. Did we all get copies? Did we
12 all sign in? There's a sign-in sheet in the back of
13 the room. Please if you'd be so kind to sign in at
14 some point in time, we would appreciate that, and we
15 could communicate with you.

16 I just want to lift up one important item,
17 and you can read it for yourself. It says online, the
18 2014 Board of Police report is available online and it
19 gives you the steps. It gives you our annual report,
20 and I would hope that you take advantage of that. I'm
21 not going to read the duties and responsibilities of
22 the Board, but this is a great document for you to get
23 an overview what has transpired in 2014 and there's all
24 other information in reference to the Board and most of
25 you are familiar with it. And we also have that duties

1 and responsibilities on our back of the page, I think.
2 That's normally the case. But if gives you the profile
3 of basically what we're involved in and you see the
4 transition of the Chair to Lisa Carter and that in
5 terms of her background too. And if you attend the
6 next meeting at headquarters at 3:00, I think this
7 precinct overlaps her district too. So I know the
8 meeting I attended 10th precinct she was there to
9 represent the Board along with Commissioner Moore.
10 This overlaps your police district too, Willie.

11 COMMISSIONER BURTON: Yes.

12 CHAIRPERSON BELL: So you can see how the
13 precincts break down. We have a quorum, Mr. Secretary?

14 SECRETARY ANTHONY: We do.

15 CHAIRPERSON BELL: At this time, I'd like to
16 approve the agenda for July the 9th meeting. The Chair
17 would entertain a motion to that effect.

18 COMMISSION MEMBER: So moved.

19 COMMISSION MEMBER: Second.

20 CHAIRPERSON BELL: It's been properly moved
21 and seconded. Ready for the question. Those in favor
22 aye?

23 COMMISSIONERS: Aye.

24 CHAIRPERSON BELL: Those opposed? Motion
25 carries. Also approve the minutes with the June the

1 30th meeting. The Chair would entertain a motion to
2 that effect. What is your pleasure?

3 COMMISSIONER MOORE: So moved.

4 CHAIRPERSON BELL: Been properly moved and a
5 weak support. Ready for the questions on the table.
6 Aye?

7 COMMISSIONERS: Aye.

8 CHAIRPERSON BELL: Motion passed.

9 As I mentioned, my report is somewhat that
10 the newsletter gives you an idea in terms of what has
11 transpired, but I just wanted to speak briefly to one
12 item. This article here on the front, you probably had
13 a chance to read the Michigan Chronicle. It speaks to
14 start snitching. Detroiters are serious about curbing
15 crime and you can start snitching. I just don't like
16 that terminology. I do not like that terminology
17 because -- and I think some of the officers can tell
18 you that snitching comes from those people who become
19 involved in criminality themselves. That's the proper
20 terminology for it, but I think that -- but
21 nevertheless, it's for good cause, for good purpose,
22 but we really need to really downplay that snitching
23 concept because we want people to come forward and be
24 good citizens and be informed. If they witness a crime
25 or know something about a crime, report it. That's not

1 snitching. That's being a good, well-informed citizen
2 that we try to encourage in terms of coming forward
3 and, you know how that works, but I'm pretty sure all
4 of you have witnessed a crime or activity or heard
5 about it and through 911 you called Crime Stoppers and
6 all that. But I think overall it's excellent in terms
7 of the effort by the ministers, and I would hope that
8 you would share in your church affiliations that this
9 month if the minister would take time to talk about
10 some of the issues we're dealing with in public safety,
11 that would be a blessing to all of us. Churches are
12 the forefront, even though a whole lot of people, as we
13 know, do not attend church, but do have family members
14 attend church. So we need to encourage our ministers
15 and deacons and others to try to take -- if you just
16 take one minute, just two minutes to talk about
17 basically what's happening in our community impacting
18 public safety.

19 The other issue as we know what's happening
20 in the Confederate flag is coming down. They voted
21 today at 4:00. So that is a major historic decision in
22 reference to what that flag represents. So I want to
23 commend -- I know the brothers and sisters, every year
24 they had an annual coming to that area to try to deal
25 with that Confederate flag. Some of us are southerners

1 like myself, from Mississippi and Alabama and Georgia
2 and Florida and other states. You know what that flag
3 represents, so I'm glad. Unfortunately, it took a
4 major incident, but God works in mysterious ways. We
5 have now moved to dealing with that issue. But we do
6 have issues in our community. We need to all take heed
7 to those issues. So that's basically my brief
8 reporting out.

9 At this time we ask Pamela A. Copeland from
10 the Michigan Legal Help Center. Come forward. And
11 she's going to share some dialogue with us and she made
12 a reservation to be on the agenda and it's good to see
13 you, Ms. Copeland.

14 MS. COPELAND: Good to see you, Chairman
15 Bell. Good evening, Board of Police Commissioners and
16 the community. I am very happy to be here this
17 evening. This is actually -- I'm going to try to make
18 this quick, but this is actually special to me.

19 CHAIRPERSON BELL: We're giving you five
20 minutes or eight minutes, so take your time and do it
21 properly, okay?

22 MS. COPELAND: Okay. Actually, this is
23 special to me because this is, this is actually the
24 church that I used to go to when I was really little,
25 and I still come over here now to visit. So when I

1 found out you were coming today, I just wanted to be
2 able to come over here just to share this information.

3 Okay. First, my name is Pamela Copeland and
4 I am the administrator of the Michigan Legal Self-Help
5 Center of Wayne County.

6 Now the Michigan Legal Self-Help Center of
7 Wayne County has one main mission, and that is to help
8 Michigan residents solve their legal problems. We
9 offer free and accurate legal information as well as
10 give referrals for other available legal services. The
11 Michigan Legal Help Program is a grant-funded program
12 through the Michigan State Bar Foundation, Legal
13 Services of South Central Michigan and the Legal
14 Services Corporation, and we've been operational since
15 November of 2012.

16 The Self-Help Center and the website were
17 created because many people have legal problems, as we
18 all know, but they can't afford to hire an attorney.
19 And nonprofit agencies provide free assistance in many
20 civil matters, but they must turn away half of those
21 who seek their help due to lack of resources. So the
22 Michigan Legal Help website is a central location of
23 basic legal information to help guide Michigan
24 residents who need to handle their own simple civil
25 legal matters.

1 Now there are two things that I want you to
2 remember and that is the Self-Help Center, which is
3 actually where you can come in to the Center. We're
4 located in the Penobscot Building and that's where I
5 am, and I actually help you to better navigate the
6 website. Because I'm not an attorney, I cannot give
7 advice, but I am able, because I'm under direction of
8 an attorney, to help with the motion packets because a
9 lot of people come, they need to file a motion. Those
10 are legal forms so most people don't understand what
11 they mean. So I'm just there to try to assist in that
12 way. And then there is the Michigan legal website,
13 which is, and I'm going to give that right now. The --
14 it's www.michiganlegalhelp.org, and currently it covers
15 several areas of law: Family law, which encompasses
16 divorce, custody, child support, and parenting time;
17 housing, which encompasses landlord/tenant issues, for
18 example, we have -- if you were having a problem with
19 your landlord making repairs and you don't know how you
20 should actually professionally address your landlord,
21 you can actually go on the website and it will help you
22 to draft an appropriate letter to send to your
23 landlord. Also they have a lot of articles and things
24 so that you know your rights as a tenant, what's
25 expected of you, as well also what's expected of your

1 landlord.

2 Housing is another area of law -- I'm sorry.
3 Protection from abuse. That will be domestic and
4 non-domestic. Consumer law, we have information on
5 garnishment, objection to garnishment, debt
6 collections, how to make installment plans, small
7 claims, expungement, setting aside adult criminal
8 convictions as well as juvenile adjudication.

9 We have information about income tax issues
10 and public benefits. We have a lot of information to
11 tell you what to do if you've actually been denied
12 benefits, what your next steps are in solving that
13 issue.

14 Now on the website we have what's called
15 toolkits, and that's the main thing that you use to
16 actually try to solve your legal problems. For
17 example, if a person's coming in that needs to get a
18 divorce and, unfortunately, that is the most popular
19 thing that people come in for on an everyday basis. So
20 if you have an interview that you would complete, it's
21 either going to be with or without children where you
22 will answer all of the questions, it's just like you're
23 sitting down speaking with someone just doing an
24 interview face to face, and, of course, I'm there to
25 assist if you have questions. But at the end of that,

1 it will generate a document for you which is ready to
2 file over at the court. And this is very important
3 because although you can purchase divorce kits from
4 places, some of them are not actually accepted by the
5 court, and then at other times it might be accepted,
6 but the individuals aren't filling them out correctly
7 so then they are denied. They have to go back and
8 start the process all over.

9 Under each toolkit we have articles and those
10 articles are very very informative just like if someone
11 has a custody issue. They have the 12 best interest
12 factors of the child article, which is very helpful to
13 those who are dealing with custody issues. They have
14 common questions because most of the time you have
15 questions that you don't have the answers for.

16 So in essence, the website is put together,
17 it's a very informative website to guide you through
18 that process to make it as easy as possible for those
19 who find themselves in a situation where they are
20 self-represented.

21 So I just want to come here today to share
22 this information with everyone because our numbers are
23 growing, which is a good thing, but there are so many
24 people that just don't know that there are resources
25 there. And most people after they finish with me, they

1 are so thankful because they didn't know about it and
2 they said it just made the whole process so much
3 easier. I have materials with me today, fliers and
4 brochures. Also let me tell you where we're located.
5 We're in the Penobscot Building in Smart Detroit, which
6 is 645 Griswold, Detroit, Michigan, and that's Suite
7 1300, and I am actually in Conference Room 6. And I
8 want to give you my e-mail address as well so that you
9 can feel free to contact me if you have any additional
10 questions, and that's pamela.copeland@3rdcc.org. And
11 again, I just want to thank you for your time and I'll
12 be here until the end of the meeting, so if you have
13 any additional questions, I'll be here to answer those.
14 Thank you.

15 The center does not have, none of the
16 self-help centers have phones like that. They really
17 want to encourage people to come in because most of
18 your issues you can't really deal with them over the
19 phone, you can only deal with them in person.
20 [Www.michiganlegalhelp.org](http://www.michiganlegalhelp.org).

21 CHAIRPERSON BELL: Ms. Copeland, is that on
22 your handout?

23 MS. COPELAND: Yes, it is.

24 CHAIRPERSON BELL: Okay. The information's
25 in the back of the room and feel free to get a copy and

1 plus you're going to be here.

2 MS. COPELAND: Yes, I'll be here till the end
3 so anyone can come up and ask me questions, I'll be
4 here.

5 CHAIRPERSON BELL: Commissioners, any
6 questions, concerns in reference to the Michigan Legal
7 Self-Help Program? I would hope that you take
8 advantage of the information. And if it's not going to
9 be helpful to you, perhaps you can share it with others
10 in reference to that self-help. I know that's crucial,
11 people seeking that information all the time. And
12 thank you for coming out again. We appreciate it.

13 MS. COPELAND: And you're welcome. Any time
14 that you want. And also I just wanted to say, if
15 anyone else, because community outreach is a huge part
16 of what I do, so if you would like me to come to your
17 organization, your church, you know, do a little
18 presentation, I'd be more than happy to do that because
19 it's an excellent excellent resource. We just need
20 more people to utilize it. Thank you.

21 CHAIRPERSON BELL: Thank you. Sitting on the
22 front row is Deputy Chief Washington, Second Chief
23 Deputy Washington. Good to see you. Thank you for
24 your attendance. Any others come in late? Not late.
25 I shouldn't say that, but any others come in when we

1 were doing introduction? So on that note, we'll move
2 right here.

3 Assistant Chief Dolunt reporting out before
4 we get to the 10th precinct.

5 A.C. DOLUNT: Common knowledge what happened
6 at Dexter and Webb several weeks ago and some people
7 were offended by some of my remarks because I was
8 pretty upset. I agree I hate the term snitches. I
9 don't like that because it has a bad connotation to it.
10 I agree that citizens tell you what's going on. My
11 biggest issues that evening were that if any of us were
12 to jaywalk, we would have a video posted on us, but
13 when 12 people are shot, there's no video. That was
14 one thing that bothered me.

15 Two, if there were 400 people there and no
16 one seen anything. But the most disturbing thing to me
17 was that when I got there there was a barbecue there.
18 And there was blood from a woman and her cell phone's
19 laying next to it and a little child's chair was next
20 to that. And I'm sorry that some people didn't
21 appreciate my anger, but I have a soft spot in my heart
22 for kids and seniors. And when you indiscriminately
23 shoot kids, I have no use for you. And people tell me
24 well they're misunderstood. Well, you're
25 misunderstood. You ain't got a clue when you're

1 shooting at kids.

2 And I got upset, people got upset with me, so
3 I'm just letting you know that you want to shoot at
4 kids, don't be offended when I call you a punk or
5 whatever because you're lucky I acknowledge you at all
6 if you shoot a kid.

7 So that being said, Commander Wilson, would
8 you come hither and tell us what's going on?

9 COMMANDER WILSON: Good evening, Board.
10 Commander Marlon Wilson. Start with the Dexter and
11 kind of what the AC said. We received a couple of
12 tips, actually numerous tips, led us to speak to a
13 couple of individuals. After speaking with those
14 individuals, we haven't been able to garner any
15 information relative to who the shooter is, so the case
16 is still open. We're just constantly asking for
17 assistance through the community. That would help us.
18 And the CSC on Cortland. We pulled the video from that
19 incident. Unfortunately, the suspect did not appear in
20 the footage. As you know, the suspect was masked up so
21 the young lady can't provide us enough information to
22 give us a composite so we did do a sexual assault kit
23 so we're just waiting on the results of the DNA on the
24 kit.

25 A.C. DOLUNT: Commissioner Moore, is there

1 any questions you have of the commander?

2 COMMISSIONER MOORE: Not at this time.

3 A.C. DOLUNT: Okay.

4 CHAIRPERSON BELL: Thank you, commander.

5 COMMISSIONER VANN: You know, we've been
6 concerned about reports of the troop strength that we
7 have in terms of the police department on the street,
8 and I think it's important that you would address that
9 tonight. And I'd also based upon whatever number, I
10 don't know if you agree with the number that was quoted
11 in the media, but if not, give us your number. And
12 then would you also give us an estimate of how many
13 officers now, and I knew this before when I was on the
14 commission before, how many officers on the average per
15 day are still not serving, whether it's FMLA, whether
16 it's furlough, sick leave, whatever it may be, so that
17 we can really kind of assess what the real strength per
18 day is.

19 A.C. DOLUNT: And I don't have all those
20 answers, unfortunately, and I didn't read the paper
21 this morning, I'm sorry. I think someone told me it
22 was maybe 1,500 on the street. I do know that we're
23 getting low on manpower. When I came on 30 years ago
24 and you, you guys I think we had a total manpower of
25 over 5000. I believe now we're at, correct me if I'm

1 wrong, 2200. Chuck? Eric? 2229 total. And how many
2 police officers? 1588.

3 We are pushing to get civilians hired to put
4 more officers on the street. Some officers aren't
5 happy about that because they feel they earned an
6 inside job; however, when you sign up and put on the
7 blue, you're supposed to go out there and serve and
8 protect. And I understand some people like an inside
9 job. Unfortunately, in this day and age in our
10 financial situation we can't always do that.

11 So some people may retire. We are having
12 trouble hiring people because we aren't paying them to
13 start. We have kids that want to do ride-alongs, and
14 one of two things happens, they either get an adrenalin
15 rush and say I want to do this or reality kicks in and
16 says you're going to pay me what to do this. And they
17 don't come back, so we are fighting that battle.

18 However, I believe we're on course to hire 20
19 to 25 a month, correct, Chuck, over the next year.
20 First class should start July 23rd. So we're going
21 through that. We are pushing for diversity, obviously,
22 because this is a diverse community so that's where
23 we're at.

24 As far as FMLA, I don't have that in front of
25 me. How many disabled there are I don't have that in

1 front of me. The Chief is a little irritated. We've
2 had some people that are being carried restricted --
3 or no. What's the term I'm looking for? They're
4 suspended with pay waiting on both the US attorney and
5 Wayne County prosecutor to come to a decision on a
6 couple of these cases and I think he may just put them
7 back to work. My take on that is this, whether you're
8 a police officer or a criminal, you have the right to
9 due process. Charge me or don't charge me because
10 you're affecting my reputation, my mental state, my
11 family's mental state. If I did something wrong,
12 charge me. I didn't, don't have that cloud hanging
13 over my head. We had an officer several month ago who
14 took his own life. There were other issues, but still.
15 I don't have the exact numbers but you know what, I'll
16 have them for you next Thursday. How's that?

17 COMMISSIONER VANN: It's fine. It's just
18 important because, you know, I don't know what the
19 number would be for the threshold that we should have
20 active officers on any given day to actually provide
21 safety and security of the residents of the city. I
22 think it's important for us to monitor that. With
23 those coming through the academy, does that replace the
24 attrition of those you lose per month? I mean that's
25 the other number that should be considered in this.

1 A.C. DOLUNT: That's slowly dropping. The
2 Chief mentioned that today. We had a meeting with the
3 Mayor, and I believe our attrition rate is steadily
4 dropping, correct? We got hit hard the last couple of
5 years with bankruptcy, but seems to be slowing down.
6 And the biggest thing is people are afraid to leave
7 because they don't have any benefits for their family.

8 COMMISSIONER VANN: But if we've got 1,500
9 officers for 140 square miles, I mean is there some
10 sort of, I don't know if it's a federal threshold or --

11 A.C. DOLUNT: I don't believe so.

12 COMMISSIONER VANN: -- where it should be
13 with regard --

14 A.C. DOLUNT: No. I don't believe so.

15 COMMISSIONER VANN: So we could have 500
16 officers, that would be it? I mean I'm just saying.

17 A.C. DOLUNT: Well the unfortunate part was
18 the Mayor brought up New York City and Chicago.
19 Chicago has 12,000 officers, I believe, and granted,
20 crime's off the hook, and they are a larger entity than
21 we are. And New York which is ten times larger than we
22 are, I believe, had same amount of shootings. So it's
23 not just the manpower, I think a lot of it has to do
24 with the mindset. And we have to change the mindset of
25 violence here. There's a lot of good people in the

1 city and there's only a handful that are wreaking havoc
2 and we can't be everywhere, obviously. Even though our
3 population is 143 square miles coverage, and whether
4 you're in far reaches of the eastern or western side of
5 the city, you still expect us to respond and we need to
6 respond. So we do need more manpower and we need to
7 step up our game a little bit. That's just one man's
8 opinion.

9 CHAIRPERSON BELL: Any other questions or
10 concerns of the Commission?

11 COMMISSIONER MOORE: Yes, sir, through the
12 Chair. You said you don't like the word snitching.
13 What's being done to encourage citizens to speak?

14 A.C. DOLUNT: Forums like this when we tell
15 people, we go out and talk to the kids and the
16 neighborhood police officers interact with the
17 community. I don't like that term. And again, you
18 know, a lot of people are threatened. Okay. I get
19 that. But they just shot at your kid. How much more
20 threatened do you want to be. We were out there, we
21 were out there at Dexter and Webb before the shooting.
22 We had officers go by and they made a decision, and I
23 said this publically before, rather than shut the party
24 down because it was a good party. You're allowed to
25 have a party in City of Detroit, I'm sorry, it's not

1 against the law. And there's a basketball game,
2 they're cooking and they're having a good time. And
3 rather than shut it down and get everyone upset and say
4 here the police go again, we said okay, it's time to
5 wind it down. And there were chairs stacked up.
6 People started to head out. The basketball tournament
7 was almost over. Police were doing proactive things in
8 the community, okay? So we tried to do something nice.
9 It blew up in our face.

10 And then on the east side we backed off
11 again. I'll take the hit for that one when we had five
12 people shot. It never should have happened. We
13 screwed up. We had officers out there proactively a
14 mile away in one of our worst districts part of the
15 city, and a mile the other way, all hell broke loose.

16 So it's hit or miss. We're trying and that's
17 the deal. So we're trying to work with the community.
18 1-800 Speak Up if you have to. If you don't want to
19 talk to me, that's fine. Do it anonymously. I'm good.
20 I'm good. Keep calling 224-DOPE on any dope houses
21 around. We're following up as far as city trying to
22 fix house and the owners that don't care. We're doing
23 a lot of proactive things, but we don't have the
24 manpower that we used to. Again, we need to step up a
25 little bit more, and that's my thought.

1 COMMISSIONER MOORE: Thank you, Assistant
2 Chief.

3 CHAIRPERSON BELL: Thank you, Assistant Chief.
4 I agree with you wholeheartedly. The community really
5 needs to come forward in cooperation. As you know, on
6 the east side of Detroit, the young lady was shot and
7 killed on Grosse Pointe Liggett. There's a \$100,000
8 reward plus, and so far, no one has come forward to
9 identify the shooter or any pertinent information, as
10 far as I know. That water is still standing, got the
11 billboard and everything and do community forums. The
12 other young lady was shot and killed in Detroit. So
13 the money is not the bottom line, not always, but we
14 just have to do our part in trying to make a difference
15 and try to cooperate with people, you know. They
16 should be comfortable dealing with police but that
17 mentality is out there and it's worse that we've
18 experienced in my lifetime in Detroit, as you well
19 know. And some of you have family members that perhaps
20 are clustered into something happened to their family
21 and then they want to come forward, and say, you know,
22 but it's an issue that we have to deal with.

23 I'd like to pause to introduce Chaplain
24 Barrett. He welcomed us. He showed us around and
25 we -- from the Chaplain Corps, is that correct?

1 CHAPLAIN BARRETT: Yes.

2 CHAIRPERSON BELL: Thank you for your
3 involvement in terms of welcoming us tonight. And I
4 also want to introduce, I know Dr. Divers is
5 representing Councilman Cushingberry. Any other
6 elected official representatives here in the audience,
7 I want to acknowledge, appreciate you always coming on
8 behalf of the councilmen in terms of your -- that's
9 your community involvement over the years, so it's good
10 to see you again tonight. And now, yes, ma'am.

11 MS. JOHNSON: Okay. So we talking about
12 people who speak um. I want to just take the time.

13 CHAIRPERSON BELL: I'm sorry. You have to
14 wait until the public comments. You can hold that,
15 right?

16 MS. JOHNSON: I hope I can.

17 CHAIRPERSON BELL: We're going to hear from
18 the captain from the 10th precinct. Good to see you
19 again, sir.

20 CAPTAIN KYRIACOU: I know we already did the
21 introductions. But I want to make sure who does what
22 on my team at the 10th precinct. Lieutenant Sobecki is
23 my detective unit lieutenant. He's in charge of all
24 the people that follow up on the cases after the crimes
25 have occurred. Before the crimes have occurred and

1 after they've occurred and we have somebody that's
2 wanted I have Sergeant Tony O'Rourke who's in charge of
3 the Special Operations Unit. And again, I have my two
4 neighborhood police officers and my fill-in
5 jack-of-all-trades sitting there. Anything I want at a
6 moment's notice. Thank you everybody, Officer Barbour,
7 Officer Brown and officer Berry, the three B's.

8 All right. At the 10th precinct I know this
9 has to start out with a description of the precinct.
10 Everybody knows the 10th precinct is located at 1200
11 Livernois. Roughly the borders are the Lodge on the
12 north hooking around eastward. Going south as the
13 Lodge bisects the precinct. Also the 3rd precinct now
14 going all the way down to West Grand Boulevard coming
15 back west again. South on Bangor, west on Warren, back
16 around to north onto Livernois, coming up Livernois to
17 where you get to Wyoming on the west again and again
18 intersecting with the Lodge Freeway. The boundaries
19 were changed about the middle of last year to give us
20 that little chunk of the 12th precinct that's north of
21 where the railroad tracks are there by Finkel and
22 Linden area.

23 According to the 2011 census we had about
24 52,000 people living in the 10th precinct. There are a
25 variety of schools, businesses and churches within the

1 10th precinct. In order to an effort to maintain
2 strong block club relationships and partnerships and
3 community organizations in the 10th precinct hosts a
4 number of block club meetings at the mini station
5 located at 8675 Rosa Parks. Those meetings are
6 designed to organize community stakeholders to discuss
7 critical community issues and develop joint crime
8 reduction strategies. The 10th precinct has some of
9 the oldest and most established block clubs, including
10 Boston Edison, Oakland Boulevard Community Association,
11 Russel Wood Sullivan Association, Virginia Parks
12 Citizen's District Council, to name a few. Not meaning
13 to leave anybody out.

14 The 10th precinct has three neighborhood
15 police officers I spoke about already. They have a
16 variety of duties and responsibilities to engage in
17 problem-solving activities, to help us with mostly
18 quality of life issues that occur in and around the
19 10th precinct. They are tasked with contacting victims
20 of home invasions and B&E, doing business and security
21 surveys to help out both before and after people are
22 victimized by those types of crimes. They also have a
23 long time been involved in the Police Explorers
24 Program. The Explorers come under the auspices of the
25 Boy Scouts of America and they are -- the purpose of

1 the Explorers is to engage young children that are
2 interested in potential careers in law enforcement and
3 mentor them towards this occupation and also just give
4 them good life skills as they're growing up.

5 We have -- we participate in the City Camp,
6 that's an initiative that the Chief brought here.
7 Children in Trauma Intervention Program which
8 identifies at-risk children and teaches them
9 restorative practices. We have a partnership that's
10 been going on quite a while with Elmhurst Homes, those
11 are people that are in drug and alcohol rehab
12 treatment, and there are also a lot of returning
13 citizens there. We have a lot of projects at the 10th
14 precinct that require a lot of physical labor, cleaning
15 up the premises, that sort of thing. They have been
16 very helpful with us over the years and I'm doing a lot
17 of work beautification projects.

18 And one thing that really helped out with
19 this past winter is, not to call anybody out, but over
20 the years at the 10th precinct nobody had cleaned out
21 our archives. I'm not kidding you. We had enough old
22 paperwork possibly some of the stuff we had in the
23 basement dated back to the '70s. We loaded up five
24 trucks worth of junk and got them out of there. Just
25 been sitting for 40 years, okay?

1 Also in the, in the spirit of community
2 partnership, we also work a lot with Job Corps and we
3 invited, during police week we invited 50 kids from Job
4 Corps came to the 10th precinct and we were lucky
5 enough to have all the cool gadgets from the Police
6 Department there. The helicopter was there. They
7 landed in the parking lot. We had bomb squad. We had
8 K-9, we had one of the mounted officers there. So they
9 got to come tour the precinct, check out the police
10 cars and see all the more exotic parts of the police
11 department. Like most other police precincts, we
12 sponsor senior movie day where we take anywhere from 15
13 to 25 seniors to the movies once a month. I believe
14 that's still at the Bellaire Theaters.

15 I don't know if I want to say this too loud,
16 but we have had a 17% year-to-date reduction in our
17 Part 1 crime in the 10th precinct. Usually when one of
18 us brags about that, something happens and crime goes
19 up.

20 As far as a couple of big things that I'm
21 kind of excited about that are now about to happen at
22 the 10th precinct, up in and around Oakman Boulevard
23 Civic Association there's the HOPE Village Keep It 100
24 Initiative that's come up next week. There's going to
25 be approximately 3 to 4000 volunteers that are coming

1 in as part of that Evangelical Lutheran conference
2 that's coming to Cobo Hall next week. I think they're
3 having upwards of 30,000 total people possibly coming
4 to the city and there are a lot of public, public
5 projects that they're helping out on throughout the
6 city, but in HOPE Village there's a 100 block area
7 where about 3 to 4000 young people today are going to
8 come and help board up, clean up, beautify, put in
9 flowers, that sort of thing, and that will be a nice
10 big deal.

11 And the last thing I'm going to brag about a
12 little bit is in partnership with AmeriCorps and Wayne
13 State University Center for Urban Studies. Like
14 several other precincts, we have at the 10th precinct
15 community CompStat coming our way. It will start, we
16 haven't gotten the exact date, but it's going to start
17 sometime this month. So already reached out to most of
18 our major block clubs to try to get participation so
19 that they can come and be a part of the CompStat
20 process. Again, data-driven approach to law
21 enforcement in partnership with our community
22 stakeholders so that we can fight crime together. So
23 that's all I have.

24 CHAIRPERSON BELL: Thank you, sir.
25 Commissioners, questions or comments for the Captain?

1 COMMISSIONER MOORE: Through the chair. Just
2 a comment. I'm very thankful to have you Captain
3 Kyriacou here at the 10th precinct, you and your staff.
4 I'm very blessed to have captains that serve District 7
5 because I live in the 10th precinct, very accessible,
6 very visible in the community. Whenever something
7 happens, you're there. I just want to say thank you.

8 CAPTAIN KYRIACOU: Thank you. I appreciate
9 it.

10 COMMISSIONER MOORE: My pleasure.

11 CHAIRPERSON BELL: Any other commissioners?

12 COMMISSIONER SHELBY: Through the Chair.

13 CHAIRPERSON BELL: Yes, sir.

14 COMMISSIONER SHELBY: Teen Court Program, is
15 that still being --

16 CAPTAIN KYRIACOU: No, not since I've been
17 back I haven't heard of that in a long time. Now I
18 know they do have a version of that. I saw that in
19 36th District Court there's Community Corps, but I
20 think that's specific to Southwest Detroit. I happened
21 to be there on a court case. They are doing a version
22 of that in southwest.

23 COMMISSIONER SHELBY: They used to have it
24 years ago.

25 CHAIRPERSON BELL: Captain, I just wanted to

1 thank you for your outstanding work. You are commonly
2 known as Captain K.

3 CAPTAIN KYRIACOU: Captain K, yes.

4 CHAIRPERSON BELL: I'd just like to recognize
5 the individuals that's involved in the 10th precinct
6 with you. Please stand. I know you're here tonight.
7 Please stand. I appreciate that because I know you
8 lobby to get this meeting you wanted to host. I'm glad
9 that we can accommodate with you.

10 The 10th precinct is the historic 10th
11 precinct over the years. I've never had an opportunity
12 to work at the 10th precinct. As Commander Shelby
13 said, he had an opportunity to command the 10th
14 precinct. I'm a 7th precinct guy on the east side and
15 the 14th precinct on the west side and 11th precinct
16 and 9th precinct. So I just want to say I know 10th
17 precinct always dear to my hear with the people in
18 terms of it's the heart of the City in terms of the
19 10th precinct. I just want to commend you. I know
20 there's a cluster of officers, block officers come out
21 of the 10th precinct I had a great fellowship with. So
22 you continue that legacy Captain K. Doing great work.
23 If anything's historic, I hope that you save because
24 the museum can use some of that stuff.

25 CAPTAIN KYRIACOU: No. We're talking about

1 just archive paperwork going back 40 years, just
2 couldn't believe it was still sitting there.

3 CHAIRPERSON BELL: Okay. You're getting rid
4 of Commander Shelby, all of his paperwork that he's
5 generated. I heard he was a paper man.

6 CAPTAIN KYRIACOU: I wasn't trying to go
7 there.

8 COMMISSIONER SHELBY: Quite a few years ago.

9 CHAIRPERSON BELL: Okay. Thank you, sir. We
10 appreciate that.

11 I just want to -- the next item would be --
12 oh, we have a representative from State Senator Coleman
13 A. Young's office. Young man, introduce yourself.

14 MR. JOHNSON: How's everybody? Kenneth
15 Johnson, District Manager State Senator Coleman
16 Alexander Young, II. How's everybody? Anything you
17 need from the center, just give us of a call. Enjoy
18 your meeting.

19 CHAIRPERSON BELL: Thank you. We'll make sure
20 you get that number, but he's going to interact with
21 you. You say business manager was here, Kim Johnson?
22 I heard a name you mentioned earlier. I guess not. We
23 can move on.

24 Standing Community Reports. The chair is
25 working up alignment for committee assignment. I don't

1 think a drastic change. Hopefully she would have that
2 in place by the next meeting, if not, thereafter. Any
3 new business for this meeting. If not, we want to move
4 to the resolutions honoring Mrs. Georgetta Jackson. Is
5 she here? Please stand. Okay. Please come forward.
6 This is your moment in time. I think Commissioner
7 Willie Burton is going to do the honor. You say you
8 need a hammer?

9 MS. JACKSON: Oh, I got two.

10 COMMISSIONER BURTON: All right. Here's a
11 resolution from the Board of Police Commissioners.
12 Whereas; Ms. Georgetta Jackson has been a dedicated
13 resident of the 10th precinct for over 55 years. Her
14 commitment to the community to serve and leadership is
15 amplified throughout the community. And Ms. Jackson is
16 dedicated to education. She graduated from Detroit
17 Northeastern High School and continued her education at
18 Wayne State University.

19 Ms. Jackson also proved to be a dedicated and
20 loyal employee who worked for 33 years for you the
21 United States Postal Service. And Ms. Jackson has
22 always been interested in police/community relations
23 and has always taken part in the effort to improve
24 neighborhood safety and to quality of life.

25 She has been an active member of the Russell

1 Woods Association for many years and helped organize
2 the Russell Woods radio patrol in 2005 where she served
3 as vice president of the aids and CB patrol member.

4 Ms. Jackson stayed abreast of safety issues,
5 affected her community and is an advocate for
6 neighborhood cleanliness and upkeep. She is also
7 responsible for implementing security measures within
8 the community, which helps to assure neighborhood
9 safety. And Ms. Jackson participated and helped
10 organize community events like the Motor City Makeover,
11 community cleanup, flowers, planning Angel Night
12 Halloween, passing out treats to the Easter Egg hunt,
13 police week and many many more.

14 Ms. Jackson has proved through her actions
15 that she is dedicated and committed to supporters of
16 the City of Detroit and 10th precinct. She leads an
17 example to encourage others to participate in
18 collaborative community efforts. She firmly believes
19 that we should treat others as we would like to be
20 treated. Can I get an Amen?

21 All right. Now, therefore, be it resolved
22 that the Detroit Board of Police Commissioners speaking
23 on the behalf of citizens of the City of Detroit and
24 the Detroit Police Department acknowledge the giving
25 spirit of community service to Ms. Georgetta Jackson,

1 her vision to Detroit and its citizens is unmatched and
2 highly respected. We thank you collectively Georgetta
3 Jackson, Detroit Board of Police Commission.

4 CAPTAIN KYRIACOU: The Spirit of Detroit
5 award is presented herewith as an expression of
6 gratitude and esteem of the citizens of Detroit to Ms.
7 Georgetta Jackson Executive Secretary through the
8 Detroit Police Public Health Safety, the Detroit Police
9 Department for recognition of exceptional achievement,
10 outstanding leadership and dedication to improving the
11 quality of life signed by all of the current members of
12 the City Council of the City of Detroit.

13 Congratulations.

14 A.C. DOLUNT: Hi. How the heck are you?

15 MS. JACKSON: I can't believe all that's for
16 me. I get busy, I don't know how to stop.

17 A.C. DOLUNT: Okay. This is from the Chief,
18 Certificate of Recognition, Ms. Georgetta Jackson.
19 Appreciates you for your outstanding service and
20 cooperation in appreciation for your outstanding
21 service and cooperation and for the Detroit Partnership
22 Detroit Police Department provide excellent service to
23 the citizens and businesses of the great City of
24 Detroit signed by Chief Craig and here you go. And
25 congratulations.

1 CHAIRPERSON BELL: I just want to say to Ms.
2 Jackson your 55 years of service that is unmatched and
3 we want to give you another round of applause. You are
4 a blessing. Thank you. Thank you. So kind, so
5 humble. Thank you, Commissioner Burton for reading the
6 resolution.

7 Old business.

8 COMMISSIONER MOORE: Through the Chair. Can
9 we approve the resolution?

10 CHAIRPERSON BELL: That's very important.
11 The Chair would entertain a mention to approve the
12 resolution for Mrs. Jackson.

13 COMMISSIONER: So moved.

14 COMMISSIONER: Second.

15 CHAIRPERSON BELL: Been properly moved and
16 seconded. Motion passed. There's no nays on that.

17 I just want to -- I think on the 18th of this
18 month there's going to be 12 or more DPR, Detroit
19 Police Reserve.

20 A.C. DOLUNT: Yes, that's correct.

21 CHAIRPERSON BELL: Are going to be retiring.
22 I think the average age to serve is like 25 years. I
23 would hope that we would share that with the community
24 that DPR's Detroit Police Reserves, since my career
25 since '71 play a very very important part of the

1 Detroit Police Department in terms of providing
2 nonessential police service. So we need to perhaps
3 help the DPR in coordinating in the DPR coming forward
4 by the next couple weeks or so in the recruiting drive
5 for DPP's. I think that would be something well
6 deserving and perhaps again come out in one of our
7 community meetings to also share their involvement why
8 they were committed for so many years. So I know the
9 commissioners and others are going to be attending that
10 ceremony I think on Saturday morning or something of
11 that nature, so I just wanted to acknowledge that.

12 The other issue that the front page of
13 Detroit News speaks about Manpower and the interviews
14 and comments from DPOA president, Mark Diaz. So I
15 would hope that the Board Secretary would engage him to
16 come before this board either next or the week
17 afterwards in terms of sharing some of his concerns. I
18 think there's a morale issue. There's a lot of issues
19 there that we need to hear from the DPOA president, as
20 you well know, with all due respect to the ranking
21 officer, but the officers and rank of police officer,
22 detectives, etcetera work three shifts. They're out
23 there working on your behalf and we really -- I think
24 Chief always say cops count and we really need to
25 acknowledgement DPOA in terms of that type of

1 interaction. So I just want to share that with the
2 Board Secretary that we can reach out and hopefully
3 also in terms of Mark Young, I think we need to hear
4 from our union leadership who represent these officers.
5 Hopefully this month, no later than August that we
6 would have that type of dialogue. I have talked to
7 them informally, have met with them one-on-one. I
8 think Commission need to hear from them collectively,
9 so I just wanted to put that on the record that we need
10 to reach out to these two leaders. And perhaps we need
11 to hear from Command Officer's Union, the captain in
12 reference to if someone's out of line, on a positive
13 note. And I appreciate your leadership. And I think
14 it's always crucial that we interact. I was hoping
15 that we went on the emergency manager there was a whole
16 lot of dialog about we're going to be hiring X amount
17 of officers. That hasn't materialized. I know it's
18 not the Mayor's responsibility. I thought there would
19 be federal help come into the City. And I know I
20 shared that information about New York Police
21 Department, which is the Big Apple, they're going to
22 hire over a 1,100 officers and the officers are going
23 to look like the community for the first time in
24 history saw on the front page. But New York's got a
25 different budget, Chicago's got a different budget,

1 L.A. got a different budget. But we know, bottom line,
2 we need more police officers. We know we cannot ever
3 have officers on every corner, but when I hired in,
4 there was something like 5000 police officers and we
5 had a million people population, but we didn't have the
6 issues we're dealing with now, even though we have a
7 loss of population, but reality is totally changed.
8 And as I state over and over again, it starts within
9 the family. You cannot get around that. You can blame
10 the teachers, you can blame the ministers, you can
11 blame the police, you can blame politicians, but the
12 bottom line it starts with the family, and I know I'm
13 preaching to the choir, but I know you need to try to
14 help these people out here who need that guidance and
15 direction.

16 You know, grandmothers are no longer
17 grandmothers as we know it. Mothers are no longer
18 mothers as we know it. And I'm not indicting anyone.
19 I'm just speaking, keeping it real. And we know the
20 issues that are going to take collectively and it's a
21 village, right pastor? It's a village that we all must
22 be responsible for our behavior. We just can't wave
23 the flag. The flag is going down. No, it is the issue
24 dealing with our communities. So I just wanted to --
25 and I know the NAACP and other ministers are working

1 towards that goal to try to rally this community and
2 that's what it takes collectively as we move forward in
3 2015. Hopefully it gets better, but it's really sad in
4 terms of what's happening in our community.

5 So on that note, any other old business.
6 Next meeting is going to be on Thursday, July the 16th
7 at 3 p.m. at Public Safety Headquarters. If you
8 haven't had a chance to come down, you can come down
9 for 3:00. And we have a great museum now. I'm always
10 impressed. Always stop by there. The museum I think
11 goes from like 10 to 4:30 or something like that so you
12 should come down. There was a group of kids down there
13 last I think Tuesday, Wednesday, a busload, and they
14 had the opportunity to visit the museum. So we need
15 your support and your exposure to our history in terms
16 of Detroit Police Department, so I just want to share
17 that with you.

18 And our next community meeting is going to be
19 scheduled for the 5th precinct and we don't have a
20 location at this time, but we're working that up
21 shortly.

22 COMMISSIONER VANN: Mr. Chairman?

23 CHAIRPERSON BELL: Yes, sir.

24 COMMISSIONER VANN: If I may, I just wanted
25 to also announce to the community that there's a call

1 to action community forum that's coming up on Monday at
2 6:00, from 6:00 to 8:00. It will held at Second
3 Ebenezer Church. It's to bring in not just faith
4 leaders but community leaders from all across the city
5 along with your security teams your men's ministries,
6 your women's ministries, youth, etcetera, seniors.
7 Call to action for the entire community. US Attorney
8 Barbara McQuade will be there, Andy Arena will be there
9 from the Crime Commission. And certainly the Detroit
10 Police Department will be there and represented and the
11 Mayor's office as well. So I just wanted to extend an
12 invitation to everyone. The time is at 6:00, 6:00 to
13 8:00, July 13th, which is Monday. And so everyone
14 who's here, of course, is invited to come and be a part
15 of it. Please come and bring someone with you. Thank
16 you.

17 CHAIRPERSON BELL: Is that church on the east
18 side of Detroit.

19 COMMISSIONER VANN: Almost. It's east of
20 Woodward.

21 CHAIRPERSON BELL: That's east side. Okay.
22 Six Mile and you know the location. And I know the
23 pastor, so you're going to feel at home so come on,
24 come one, come all. And if you could not make it, I
25 just want to emphasize, once again, that's going to be

1 a significant movement, but we need a call for action
2 in all our churches in the City of Detroit. And I know
3 all you are affiliated with some form of a church in
4 this audience here, so we're going to have perhaps over
5 a hundred people in churches reaching out. And I just
6 want to say that it's good to see so many non-police
7 personnel because normally out flow us. And I love my
8 officers, it's always good to see them, but it's always
9 good to see a civilian crowd. Am I right or wrong? In
10 blue? Because I know you're always going to be here in
11 terms of support, and I thank you for your support and
12 your leadership. I can't say that enough.

13 At this time we have an open mic. Please
14 give your name. You have two minutes. This young lady
15 can come first. You have two minutes. I would ask
16 that you be respectful because we are respectful to you
17 and give you that opportunity to speak. Thank you.

18 MS. JOHNSON: Okay. Thank you. Can you hear
19 me. Can you hear me okay. My name is Cynthia A.
20 Johnson. Thank you for being here. Just want to
21 briefly share with you about my son Henry Hoskins who
22 happens to be a gay person who was attacked, attacked
23 at his home on this past Saturday left for dead. When
24 we say -- well you say that you want the community to
25 step up and report what's going on, first what we

1 need -- and I love the police, I've always had their
2 backs, always, anybody who knows me knows this. But
3 when you have officers going out, the first responders,
4 these officers need to take a thorough report. People
5 in the LGBT community, many of them are afraid to
6 report the crimes that happen to them. Therefore,
7 sometimes they will either lie, like in the case of my
8 son, but he eventually told the truth, or they just
9 won't report it. And that's why there are a lot of
10 people right now who may be dead because other people
11 didn't report it.

12 I just ask the Detroit Police Department to
13 do your job before the media gets attention to it.
14 Because on Saturday, when my son lay in his apartment
15 left for dead, the police did not take an accurate
16 report. They didn't even come to the hospital. It was
17 only until Channel 2 Fox News came out to interview us,
18 I believe it was Wednesday, did anybody do anything
19 about it. Now they're on it. We don't need the police
20 to come out when the person is dead and do an overkill
21 of police officers. We need you all to do the job
22 before that happens. Thank you.

23 CHAIRPERSON BELL: Thank you.

24 A.C. DOLUNT: Commissioner Bell, can I
25 respond?

1 CHAIRPERSON BELL: Yes, sir.

2 A.C. DOLUNT: We actually do have a LGBT
3 liaison officer, Danielle Woods, and she works with
4 that community throughout the City. And in this
5 particular case, I didn't know at the time, but we have
6 been referring cases to her. She's our liaison person
7 and she's very good at it, I believe. And if you'd
8 like, I can have your son talk to her. I agree people
9 in that community feel the police look down on them.
10 I'm afraid some people do, whether it's police or any
11 other entity, it's unfortunate, but they do, but we do
12 have that in place. You can if you want to you can
13 talk to Captain K and Lieutenant Speck about your son's
14 case, but I do want the community to know that we do
15 have a liaison officer so if you do know anyone from
16 the LGBT community that feels maybe ostracized in the
17 community or afraid to report crime you can call the
18 Office of Chief and talk to Officer Danielle Woods.

19 CHAIRPERSON BELL: Thank you, Assistant
20 Chief. Yes, ma'am.

21 MS. CARTER: Good evening. I'm Patricia
22 Carter with Oakman Boulevard Community Association. I
23 would like to thank Captain K. He and his staff attend
24 our meetings. We were work with Focus Hope on the old
25 Bell Building to open up where they were putting 150

1 homeless people in. Before that process, he also
2 worked with us. We met with him as so. We met at his
3 office his. Community relations officers come to our
4 meetings and Mr. Moore, which is the commissioner for
5 the 7th precinct, he attends all our meetings. He
6 writes letters and our newsletter each month to let us
7 know what's going on and they have been very supportive
8 to our organization and we truly appreciate it.

9 And you were asking about Teen Court. Teen
10 Court was at Dexter Elmhurst and emerged with number
11 12. They closed it up and they donated the furniture
12 to some place, I don't remember where, but officer Pam,
13 I don't remember Pam's last name, she retired. Pam had
14 wrote a grant for the furniture and to operate the
15 court there. She also wrote a grant for the Community
16 Relations van which takes it's seniors to where they
17 want to go, all the different things that are
18 happening. And to touch on the 100 that's happening
19 Thursday, Friday and Saturday at Focus Hope, they'll be
20 5000 young people per day so it will be a total of
21 15,000 that we will have. They broke it up into three
22 sections, and part of it would be in District 5 and
23 part in District 2. And each day these volunteers are
24 coming out with equipment and what have you, cut grass,
25 vacant lots, University of Michigan did a survey of

1 what everything needs to be done on the property and we
2 hope to accomplish this with good weather, and thank
3 you for your time.

4 CHAIRPERSON BELL: Thank you.

5 MS. NICKERSON: Hi. I'm Jack Nickerson from
6 Russell Woods and I want to thank these officers who
7 show up all the time. I am most concerned about their
8 time. How much it means to us. Please know we
9 appreciate what you do. I'm here to talk about the
10 Jazz in the Park. It happens every year and nothing
11 goes wrong so you don't hear about it in the paper.
12 There are always, the police tell us, 5 to 700 people
13 there and nothing happens, does it? Everything just
14 goes well so it never makes the papers. So if you've
15 got any friends, try and get them to come so it makes
16 the paper one year because it's always a successful
17 gathering of Detroiters and nothing goes wrong. So let
18 them know we won't have any toilets this year because
19 all these folks that are coming in with these kids have
20 tied up Scotty's Potties and Scotty's Potties are the
21 only people who service Detroit. I don't know if you
22 knew that before, but so if you're coming, be sure not
23 to drink too much before you come.

24 CHAIRPERSON BELL: What is that date again?

25 MS. NICKERSON: It's Sunday the 19th of July,

1 and Jazz is actually between 6 and 8 at Russell Woods
2 Park. Russell Woods Park Old Mill to Broad Street,
3 Fuller down to Leslie. Please join us.

4 CHAIRPERSON BELL: Okay. Thank you, ma'am. I
5 know we have quite a few jazz fans here. Mr. Johnson
6 from Citywide.

7 MR. JOHNSON: How you doing, sir. I'd just
8 like to say hello to the wonderful Board and I take my
9 hat off to all the work that you do and especially to
10 police officers. I look at Assistant Chief Dolunt.
11 Been here 30 years still. Still caring. Once you stop
12 caring, you're going to retire so I guess you're not
13 leaving any time soon. Good to see you. Keep doing
14 the good work that you've done.

15 But what I'm here to ask and we made a
16 recommitment, Alvin Stokes and myself and all the
17 presidents of the precinct, to get back together as
18 precinct and have that healthy competition that we've
19 always had. One of the problems that we have right
20 now, A.C., is that we don't get communications like we
21 used to get. Remember we used to have different
22 programs throughout the City, we would get an e-mail or
23 flier to the precinct. Hold on. I'm not saying we're
24 not getting them but, for instance, they had the Angel
25 volunteer for the 4th. I get the call the day of. And

1 they say well can you get somebody out there to
2 volunteer? I said when? Today. I say oh, give me a
3 lot time. So I know the mayor had commented about that
4 as well as to the Chief and we're ready to go to help
5 in any venue you want you know because we don't care
6 about that snitching thing. We don't worry about that.
7 But we need time to get the forces together, the people
8 together because we still care. There's a lot of us
9 out there all we're waiting for is the information so
10 we can get out there and help you until the other
11 officers arrive. Thank you.

12 CHAIRPERSON BELL: Thank you, Mr. Johnson.
13 Any others? Open mic.

14 MS. SMITH: Bernice Smith, political
15 activist. Good evening, A.C.

16 A.C. DOLUNT: I'm here.

17 MS. SMITH: And the commissioners.

18 CHAIRPERSON BELL: Good evening.

19 MS. SMITH: I walked with A.C. coming down
20 hall because I was quite upset with what I read in the
21 paper a couple weeks ago about him and my boy back
22 there. But anyway, he straightened me out so it's
23 going to be all right. I just want the people to know
24 that he's doing a darn good job. I want to say the
25 other one, but I'm going to let all of you know, he's

1 doing a good job. And whenever he comes in the
2 neighborhood, he means it. He doesn't just come there
3 because it his job. You can see the frustration on his
4 face when he tells us why don't we help out. And we
5 should. All of us should. We shouldn't be afraid.
6 You don't have to let nobody know your names or
7 anything like that. You have Crime Stoppers, John
8 Broad. He would love to have you call his office. So
9 I just want everyone to know do not be afraid. These
10 criminals are going to run all over us if we don't
11 stand up, and we must stand up.

12 I belong to the Police Advisory Committee and
13 I've been with the police department for so long. I
14 fuss at them when they do wrong, and I admire them when
15 they do right. We have a good group of police officers
16 here and number 10 used be the worst in the City. I'm
17 telling you people would say that about them, and look
18 at them now. They have come a long way. You lady's
19 don't know. I'm talking about in the Coleman Young
20 years. We had to get the 10th precinct and straighten
21 them them out. So now you have a good captain. Hey, I
22 tell truth. I don't have nothing to hide. We have a
23 good captain here and I love him dearly because he's
24 doing a darn good job and I want us to cooperate with
25 all our police department, not just one precinct. All

1 of them are good. They're not getting paid the way
2 they should get paid. They have to work hard. They
3 put their lives out here for us, not for them all of
4 the time. And the pay that they get is ridiculous, and
5 I'm going to be working with the Mayor and tell him
6 come on, give them of a break. And Diaz, that's their
7 union rep, I'm going to see him and see if he can help
8 push for them I get a raise. I mean by the time they
9 get that little two cents, they got to put some of it
10 for their health, for their kids and their wives, so
11 they don't have much left. So we have to really, we
12 have to really get on the administration or the
13 governor or whatever it is, tell them to increase their
14 salary. That's all I want to know.

15 In the meantime, I want you to watch out for
16 village and the people downtown. There's some hankie
17 pankie going on. I was on the air today with the
18 Chief. They were on air this morning, but they told us
19 about the police department, but I want to let you guys
20 know that we're going to be monitoring these
21 contractors that's coming into our city. I found out
22 that they're not getting enough of the men, Detroiters,
23 to be employed. So I will be monitoring this and I
24 will come back I might even tell the police what's
25 going on, but in the meantime, help the police. Please

1 help them. Don't be afraid. They need your help
2 badly. That's all I have to say, and I Thank you for
3 your time.

4 CHAIRPERSON BELL: Thank you. Well you know I
5 disagree with Mother Bernice in reference to that
6 indictment of the 10th precinct. So I want to say that
7 longstanding commitment to officers been assigned to
8 the 10th precinct so that was -- that is not accurate.
9 I think I just want to say that to you.

10 As you well know, I'm the vice chair now as
11 of July the 1st and at the last meeting on June 30th I
12 thanked quite a few people for my chairmanship in that
13 year, and I want to thank you for the officers that
14 perhaps were not at that last meeting, I just want to
15 thank you for your support and that's going to be
16 ongoing with the next year. And I also acknowledged
17 quite a few people that was in attendance, but my
18 assistant Carolyn, my bodyguard always attend the
19 meetings and I want to thank her commitment for
20 traveling with her big brother to watch my back. I say
21 that with love and affection, you know what I mean by
22 that. But she's been great to attend. And I want to
23 thank you for coming out tonight and we look forward to
24 more interaction with you. And I would hope you carry
25 that message forward that the officers need your

1 support over and over again. It's a thankless job.
2 The salary never really reflects what we should be
3 paid, but that's just the way it is because they are
4 truly truly dedicated to the mission.

5 Since we have food tonight, I'm going to as
6 the pastor of this fine church, Pastor Bryant to come
7 up to bless the food and bless us with the closing
8 prayer. And I just hope that you be safe and you be
9 involved and you be informed and you report out if
10 something's going on. Don't wait on it. Let somebody
11 know if we can be of service and be of help. So once
12 again, as we close out with a prayer, simply have a
13 blessing of food, and I thank you for the hospitality.
14 That's not always the case at a lot of these meetings
15 so we really appreciate that and thank you over and
16 over been for your attendance tonight.

17 (The proceeding was concluded at 8:00 p.m.)
